Mr. R. J. Willis,

Dear Mr. Willis,

Enclosed find a list of names in the Clapham area, you will note that two are already paid up members and I will inform these of the meeting of a branch in their area on the 24th. Perhaps it would be just as well not to ask the two Salesians to the first meeting, but for your information Father Chadwich got in touch with us some time ago and wrote a very sympathetic letter in which he offered to do anything that was in his power for us.

Some of these people you may already have contacted, so I suggest that you look over the list, pick out those, if any, who already know about the meeting and I shall write to remainder from this office inviting them to attend. I told your brother on the 'phone yesterday that I had secured the loan of a flag from the H.C.'s office. I could bring this down to you on next Sunday when I understand there is to be an unofficial Committee meeting. I have suggested Mr. J. J. Long, Mayor of Stepney last year, as a speaker at the meeting on the 24th. He is a member of our Council and is an able and eloquent speaker.

I shall expect you to ring me then when you have picked out the names you know on the list.

*I want you to speak on Wednesday
next 22nd at the meeting of the
Stepney branch. Can you manage it?*

Yours faithfully,

General Secretary of the
Anti-Partition of Ireland League.
